

## CSHCN Checklist Criteria Scoring Tool for SPM 2

### 2021 – 2025 Five-Year Needs Assessment

Children’s Rehabilitation Service (CRS), Alabama Title V CSHCN program, has identified increasing family and youth involvement and participation in advisory groups, program development, policymaking, and system- building activities as a state priority for 2021-2025. This priority will be addressed through the activities listed below.

<b>CRS Checklist Criteria Scoring Tool for SPM 2</b>		<b>Score</b>
1.	Develop a fact sheet for the four domains of Family Engagement.	
2.	Incorporate the four domains of Family Engagement into staff meetings.	
3.	Use the FESAT to assess the level of Family Engagement within CRS.	
4.	Utilize the FESAT scores to enable CRS districts to identify strategies to increase Parent and Youth engagement.	
5.	Research existing family leadership curriculums.	
6.	Develop and implement a family leadership institute model.	
7.	Work with the ADRS Office of Communication and Information, CRS State Parent Consultant, Youth Consultants, and Local Parent Consultants to develop an outreach campaign.	
8.	Attend professional conferences and community events to promote the outreach campaign.	
<b>FY 2022 Total Score</b>		

**Scoring will be based on a total score (maximum=24) and will be measured annually for increase or decrease from the previous year. Scoring: 0=not started/no progress; 1=initial activity/minimal progress; 2=some activity/moderate progress; 3=completed or sustaining level progress.**
