- B. It is expressly understood by both ODM and SUBGRANTEE that this Agreement will not be valid and enforceable until the Director of the Office of Budget and Management, State of Ohio, first certifies, pursuant to ORC 126.07, that there is a balance in the appropriation not already allocated to pay existing obligations. The ODM Agreement Manager will notify SUBGRANTEE when this certification is given.

ARTICLE XII. AMOUNT OF SUBGRANT/PAYMENTS

- A. The total amount of the Subgrant is Seventy-Six Million, Seventy-Seven Thousand, Eight Hundred Eighty-Seven and 93/100 Dollars (\$76,077,887.93). SUBGRANTEE hereby waives the interest provisions of ORC 126.30.

- B. Pursuant to ARTICLE I, a Task Order shall be developed, defined, ODM approved, and executed within the effective period and the allowable budget of this Agreement. Compensation will be made as reimbursement for actual expenditures incurred and paid by SUBGRANTEE during the billing period pursuant to ODM approved budget or cost proposal. Upon receipt of an approved invoice, ODM will reimburse SUBGRANTEE the administrative Federal Medical Assistance Percentage (FMAP). Reimbursement of the federal share of

costs must identify total costs as allowable in 2 CFR Parts 215 and 220 (formerly OMB Circulars A-110 and A-21) during the time period billed. Invoices shall indicate the total program costs, verification of the non-federal match, program relationship to the federal grant and administrative costs. Invoices will include line item detail to show the total program costs and verification of the applicable match. Claims for reimbursement must be based on actual allowable costs, not to exceed the budgeted costs.

- C. SUBGRANTEE shall prepare approved invoices and deliverables for review, approval and reimbursement as defined in this Agreement, to ODM Agreement Manager and ODM Agreement Administrator, Helena Times or successor, Ohio Department of Medicaid, 50 W. Town Street, Columbus, Ohio 43215.

 - e. Source documentation and cash management; and
 - f. Written procedures to implement the requirements of 45 CFR 75.305.
 2. **Period of Availability of Funds.** Pursuant to 45 CFR 75.309, SUBGRANTEE and its subgrantee(s) may charge to the award only allowable costs resulting from obligations incurred during the funding period specified in the Recitals section of this Agreement. All obligations incurred under the award must be liquidated no later than 90 calendar days after the end of the funding period unless otherwise specified herein.
 3. **Matching or Cost Sharing.** Matching or cost sharing requirements applicable to the federal program must be satisfied by allowable costs incurred or third party in-kind contributions, as provided in 45 CFR 75.306, and subject to the qualifications, exceptions, and requirements of that section.
 4. **Program Income.** Program income, as defined in 45 CFR 75.307, must be used as specified in this section.

- E. SUBGRANTEE expressly understands that ODM will not compensate SUBGRANTEE for any work performed prior to SUBGRANTEE's receipt of notice from the ODM Agreement Manager that the provisions of ORC 126.07 have been met as set forth in ARTICLE IX, nor for work performed after the ending date of this Agreement. The project start date coincides with signature date of ODM Director on all Task Orders and compensation may not be requested for work completed prior to such date, except as directed by ODM.

- F. SUBGRANTEE expressly understands that ODM does not have the ability to compensate SUBGRANTEE for invoices submitted after the State of Ohio purchase order has been closed. SUBGRANTEE must submit final invoices for payment no later than 90 calendar days after the ending date of this Agreement. Failure to do so will be deemed a forfeiture of the remaining compensation due hereunder.
- G. SUBGRANTEE understands that availability of funds is contingent on appropriations made by the Ohio General Assembly or by funding sources external to the State of Ohio, such as federal funding. If the Ohio General Assembly or the external funding source fails at any time to continue funding ODM for the payments due under this Agreement, this Agreement will be terminated as of the date funding expires without further obligation of ODM or the State of Ohio.

ARTICLE XIII. AUDITS OF SUBGRANTEE

- A. Subject to the threshold requirements of 45 CFR 75.501 and OMB Omni-Circular, 2 CFR 200.501, SUBGRANTEE must have an entity-wide single audit.  - 6. Promptly follow up and take corrective action on audit findings, including preparation of a summary schedule of prior audit findings and a corrective action plan in accordance with 2 CFR 200.511; and
 - 7. Provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the audit required by this Article.

ARTICLE XIV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT

- A. This Agreement shall automatically terminate upon expiration of the time period in ARTICLE III, or upon completion of performance, or once all of the compensation has been paid.
- B. Upon a 30 calendar day written notice to the other party, either party may terminate this Agreement. Upon written notice to SUBGRANTEE, at the sole discretion of ODM, this Agreement may be suspended.

 5. Perform any other tasks ODM requires.
- E. In the event of suspension or termination under this Article, ODM will, upon receipt of a proper invoice from SUBGRANTEE, determine the amount of any unpaid Subgrant funds due to SUBGRANTEE for Subgrant activities performed before SUBGRANTEE received notice of termination or suspension. In order to determine the amount due to SUBGRANTEE, ODM will base its calculations on the payment method described in ARTICLE IV and any funds previously paid by or on behalf of ODM. ODM will not be liable for any further claims submitted by SUBGRANTEE.
- F. Upon SUBGRANTEE's breach or default of provisions, obligations, or duties embodied in this Agreement or any term of an award, a federal statute or regulation, an assurance, a State plan or application, a notice of award, or other applicable rule, ODM reserves the right to exercise any administrative, contractual, equitable, or legal remedies available without limitation. Any waiver by ODM of an occurrence of breach or default is not a waiver of subsequent occurrences. If ODM or SUBGRANTEE fails to perform any obligation under this Agreement and the other party subsequently waives the failure, the waiver will be limited to that particular occurrence of a failure and will not be deemed to waive other failures that may occur. Waiver by ODM will not be effective unless it is in writing signed by the ODM Director.

ARTICLE XVI. RECORDS, DOCUMENTS AND INFORMATION

SUBGRANTEE agrees that all records, documents, writings, and other information, created or used pursuant to this Agreement will be treated according to the following terms, and that the terms will be included in any subgrant agreements executed for the performance of Subgrant Activities relative to this Agreement:

- A. ODM agrees that any media (including documents, reports, data, photographs, and electronic reports and records) produced pursuant to this Agreement or acquired with Subgrant funds will become the property of SUBGRANTEE. However, SUBGRANTEE is required to obtain ODM prior approval for release of any results, including preliminary and/or final results, related to funded projects or funded data under this Agreement, and any documents, reports, data, photographs (including negatives), electronic reports and records, and other media under this Agreement. Additionally, SUBGRANTEE grants to ODM a perpetual royalty-free, nonexclusive, and irrevocable license to use, reproduce, publish, modify, and distribute any such media[, and to authorize others to use for state or federal purposes:
1. The copyright in any work developed in whole or part with funds provided pursuant to this Subgrant; and
 2. Any rights of copyright SUBGRANTEE purchases in whole or in part with funds provided pursuant to this Subgrant.

SUBGRANTEE also agrees that all materials and items produced under this Agreement will be made freely available to the general public unless ODM determines that, pursuant to federal and state laws, such materials are confidential.

- B. All ODM information that is classified as public or private under Ohio law and ODM rules will be treated as such by SUBGRANTEE. Should the nature of any information be in question, ODM will determine whether the information is public or private. SUBGRANTEE will restrict the use of any information, systems, or records ODM provides to the specific Subgrant activities of this Agreement. SUBGRANTEE and its employees agree to be bound by the same standards and rules of confidentiality that apply to employees of ODM and the State of Ohio. SUBGRANTEE agrees that the terms of this Section B will be included in any contract or subgrant executed by SUBGRANTEE for work under this Agreement.
- C. SUBGRANTEE information that is proprietary and has been specifically identified by SUBGRANTEE as proprietary will be held as confidential by ODM. Proprietary information is information that would put SUBGRANTEE at a competitive disadvantage in SUBGRANTEE's market place and trade if it were made public. ODM reserves the right to require reasonable evidence of SUBGRANTEE's assertion of the proprietary nature of any information. The provisions of this Article are not self-executing. SUBGRANTEE must demonstrate that any information claimed as proprietary meets the definition of "trade secrets" found at ORC 1333.61, and shall defend such a claim.
- D. For Audit Purposes Only: All records relating to cost, work performed, supporting documentation for invoices submitted to ODM, and copies of all materials produced under or pertaining to this Agreement will be retained by SUBGRANTEE and will be made available for audit by state and federal government entities that include, but not limited to, ODM, the Ohio Auditor of State, the Ohio Inspector General and all duly authorized law enforcement officials. The records and materials will be retained and made available for a minimum of three years after SUBGRANTEE receives the last payment pursuant to this Agreement. If an audit or similar action is initiated during this time period, SUBGRANTEE will retain the records until the action is concluded and all issues are resolved, or until the end of the three-year period if the action is resolved prior to the end of the three-year period, unless otherwise directed below in Section E of this Article. If applicable, SUBGRANTEE must meet the requirements of the OMB Omni-Circular, 2 CFR Part 200, Subpart D and F. SUBGRANTEE acknowledges, in accordance with ORC 149.43, that financial records related to the performance of services under this Agreement are presumptively deemed public records.
- E. All records relating to cost, work performed, supporting documentation for invoices submitted to ODM, and copies of all materials produced under or pertaining to this Agreement will be retained by SUBGRANTEE in accordance to the appropriate records retention schedule. The appropriate records retention schedule for this Agreement is five (5) years. If any records are destroyed prior to the date as determined by the appropriate records retention schedule, SUBGRANTEE agrees to pay all costs associated with any cause, action or litigation arising from such destruction.
- F. SUBGRANTEE agrees to retain all records in accordance to any litigation holds that are provided to them by ODM, and actively participate in the discovery process if required to do so, at no additional charge. Litigation holds may require SUBGRANTEE to keep the records longer than the approved records retention schedule. SUBGRANTEE will be notified by ODM when the litigation hold ends and retention can resume based on the approved records retention schedule. If SUBGRANTEE fails to retain the pertinent records after receiving a

litigation hold from ODM, SUBGRANTEE agrees to pay all costs associated with any cause, action or litigation arising from such destruction.

- G. SUBGRANTEE hereby agrees to current and ongoing compliance with Title 42, Section 1320d through 1320d-8 of the United States Code (42 USC 1320d -1320d-8) and the implementing regulations found at 45 CFR 164.502(e) and 164.504(e) regarding disclosure of Protected Health Information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). ARTICLE XVII. AMENDMENT, ASSIGNMENT, AND SUBAWARD

- A. **Amendment.** This writing constitutes the entire agreement between ODM and SUBGRANTEE with respect to all matters herein. Only a writing signed by both parties may amend this Agreement. However, ODM and SUBGRANTEE agree that any amendments to any laws or regulations cited herein will result in the correlative modification of this Agreement without the necessity for executing written amendments. Any written amendment to this Agreement will be prospective in nature.
- B. **Assignment of Interests.** SUBGRANTEE agrees not to assign any interest in this Agreement nor transfer any interest in the Subgrant without the prior written approval of ODM. SUBGRANTEE will submit any requests for approval of assignments and transfers to the ODM Agreement Manager at least ten calendar days prior to the desired effective date. SUBGRANTEE understands that any assignments and transfers will be subject to any conditions ODM deems necessary and that no approval by ODM will be deemed to provide for any ODM obligation that exceeds the Subgrant amount specified in ARTICLE IV of this Agreement.
- C. **Subawards.**
1. **Subgrants.** Any subgrants by SUBGRANTEE will be made in accordance with 45 CFR 75.352.
 2. **Debarment and Suspension.** As provided in 45 CFR 75.213, SUBGRANTEE and its subgrantees must not make any award or permit any award at any tier to any party that is debarred or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs.
 3. **Procurement.** While SUBGRANTEE and its subgrantees may use their own procurement procedures, the procedures must conform to all applicable federal laws, including 45 CFR 75.327 through 45 CFR 75.335. In the event of conflict between federal, state, and local requirements, the most restrictive must be used.
 4. **Monitoring.** SUBGRANTEE must manage and monitor the routine operations of Subgrant supported activities, including each project, program, subaward, and function supported by the Subgrant, to ensure compliance with all applicable federal requirements, including 45 CFR 75.342.
- D. **Duties as Pass-through Entity.** In the event that SUBGRANTEE subgrants federal funds received under this Agreement to a government or non-profit organization, SUBGRANTEE, as a pass-through entity, must follow the procedures and requirements specified in 2 CFR 200.331, and must perform duties including, but not limited to:
1. Inform each subrecipient of the proper identification of the federal awards received pursuant to 2 CFR 200.331(a)(1). When some of this information is not available, SUBGRANTEE will provide the best information available to describe the federal award.
 2. Advise subrecipients of requirements imposed on them by federal laws, regulations, and the provisions of contracts or subgrant agreements as well as any supplemental requirements imposed by the ODM and any subsequent pass-through entity.
 3. Monitor the activities of subrecipients as necessary to ensure that federal awards are used for authorized purposes in compliance with all applicable federal and state laws and regulations, and the provisions of contracts or subgrant agreements and that all performance goals are achieved.

4. Ensure that subrecipients expending Seven Hundred Fifty Thousand and 00/100 Dollars (\$750,000.00) or more in federal awards during the subrecipient's fiscal year have met the audit requirements of this Agreement for that fiscal year. One copy of every audit report must be sent to ODM, Audit Performance Section at 50 West Town Street, Columbus, Ohio 43215, within two weeks of the subrecipient's receipt of any such audit report.
5. Determine whether subrecipients spent federal assistance funds provided in accordance with applicable laws and regulations;
6. Issue a management decision on audit findings within six months after receipt of the subrecipient's audit report and ensure that the subrecipient takes appropriate and timely corrective action.
7. Consider whether subrecipient audits necessitate adjustment of the pass-through entity's own records.
8. Require each subrecipient to permit ODM, any other state or government entity, and federal and state auditors to have access to the records and financial statements as necessary for the pass-through entity to comply with this Section.
9. Ensure that any subgrant agreement includes the approved indirect cost rate negotiated between the subrecipient and the federal government, or other indirect cost rate information as required.

The final determination of whether an instance of delay is excusable lies with ODM in its discretion.

- F. **Risk Assessment.** In accordance with 2 CFR 200.331 and 2 CFR 200.207, ODM as a pass-through entity evaluates SUBGRANTEE's risk of noncompliance with federal statutes, regulations, and the terms and conditions of the subaward. If deemed required, SUBGRANTEE agrees to comply with specific conditions and monitoring requirements posed by ODM to ensure proper accountability and compliance with program requirements and achievement of performance goals.
- G. **Counterpart.** This Agreement may be executed in one, or more than one counterpart, and each executed counterpart shall be considered an original, provided that such counterpart is delivered to the other party by facsimile, mail courier or electronic mail, all of which together shall constitute one and the same agreement.
