Family Planning Advisory

Information and Education (I&E) Advisory Committee Member List

Each Title X grantee must have an Advisory Committee of five to nine members, except that the size provision may be waived by the Secretary for good cause shown (42 CFR 59.6(b)(1)). This Advisory Committee must review and approve all informational and educational (I&E) materials developed or made available under the project prior to their distribution to assure that the materials are suitable for the population and community for which they are intended and to assure their consistency with the purposes of Title X (Section 1006(d)(1), PHS Act; 42 CFR 59.6(a)). The I&E Advisory Committee(s) must consider the educational and cultural backgrounds of the individuals to whom the materials are addressed, the standards of the population or community to be served with respect to such materials, review the content of the material to assure that the information is factually correct, determine whether the material is suitable for the population or community to which it is to be made available, and establish a written record of its determinations (Section 1006(d), PHS Act; 42 CFR 59.6(b)).
